**R44 SERVICE LETTER SL-34**

**DATE:** 22 February 2008

**TO:** R22 and R44 Owners, Operators, and Service Centers

**SUBJECT:** Alternator V-Belts

**BACKGROUND:** RHC has received reports of alternator V-belts requiring frequent replacement due to heat deterioration. Alternator and air conditioning compressor V-belts that use a different rubber compound are now available which should increase service life.

---

**COMPLIANCE PROCEDURE:**

When replacing alternator and air conditioning compressor V-belts, P/N B173-1 thru -4, install Revision C or later belts.

Note: Unused B173-1 thru -4 Revision A or B V-belts may be returned to RHC Customer Service for exchange.
