Re: US\$ 8,000 Rebate for KI-189 field installation

---

Robinson-approved R44 Service Centers who purchase a KI-189 R44 Astro Hydraulic Flight Control Upgrade Kit from RHC after March 5<sup>th</sup>, 2020 and perform the installation are eligible for a US\$ 8,000 factory rebate.

To receive the rebate, the Service Center must provide RHC with the aircraft serial number, RHC invoice number and a copy of the logbook page which includes the date of installation and the Robinson Service Center mechanic's signature. Credit will only be issued if the work was performed by the Service Center's current authorized mechanic.

Please contact RHC Customer Service or Technical Support for assistance or questions.
