CHAPTER 11**PLACARDS AND MARKINGS**11-10 Placards and Markings

Refer to R66 Illustrated Parts Catalog Chapter 11 for placard and marking locations.

A. Removal

To remove previously installed decals, start at corners and slowly peel off decal by hand or using a plastic wedge. Avoid damaging or removing paint or primer from surfaces. Remove decal entirely.

B. Installation

Verify surfaces are clean and dry before attaching decals. Use a clean cloth wet with acetone or mild soapy water (pH between 7 & 9) to clean surfaces, but use caution when using acetone near silk-screened lettering. Acetone can smudge or remove silk-screened letters. Attach decal and rub decal surface with finger, applying slight pressure.
